

Saint Mary Catholic Community School: 2022 – 2023 Tuition Schedules

A student's tuition helps pay for instructional costs. Partial operational costs and co-curricular opportunities are funded by Home & School Association fund-raising efforts. It is for this reason that the parents (or legal guardian) in each school family are required to fulfill the following 2 commitments to the Home & School Association:

1) Service Hour Commitment: Each family with a student in grades K-8 is to complete no fewer than twelve hours of service towards Home & School fundraising efforts. Each family's fundraising hours will be audited on April 1, 2023. Any K-8 family with incomplete fundraising hours will incur an additional assessment of \$100 for each incomplete hour – to a maximum of \$1200. This additional assessment will be added to the tuition account in April 2023.

2) TRIP Contribution Commitment: Each family with a student in grades K-8 is required to generate \$100 in TRIP profits. Each family's TRIP account will be audited on April 1, 2023. Any K-8 family with incomplete TRIP profits will be charged the difference to their tuition account. This additional assessment will be added to the tuition account in April 2023. **Note:** 100% of the first \$100 in TRIP profits will go to the Home & School Association. 75% of profits after the \$100 requirement is met will go to the family's tuition account.
